

THE CAMPAIGN FOR AVON OLD FARMS SCHOOL

“At Avon, I gained a great education, lifelong friendships, and experienced a completely different culture than I knew in urban Hartford. I’m very fortunate to have had the opportunities Avon provided.” - John Van Allen '13

ENDOWMENT FOR SCHOLARSHIP

Being the best school for boys requires the resources to support our students.

Avon has embraced an ambitious long-term goal: to meet the demonstrated financial need of all the promising students we admit. Fully achieving this goal will take time. A successful campaign helps Avon to make important strides forward, markedly expanding access and affordability.

Meeting our goal will put Avon on a footing more comparable to our peers in terms of endowment dollars per student while allowing us to increase our investment in student financial aid. Support for scholarship will allow highly motivated, multi-talented boys to attend Avon. This growth will better position Avon more competitively among peer schools, strengthening our ability to inspire boys and build men.
